## Set Fire To The Rain

I let it fall, my heart  
And as it fell, you rose to claim it  
It was dark and I was over  
Until you kissed my lips and you saved me

My hands, they're strong  
But my knees were far too weak  
Stand in your arms  
Without fallin' to your feet

But there's a side to you, that I never knew,  
never knew  
All the things you'd say, they were never true,  
never true  
And the games you'd play, you would always  
win, always win

But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name,  
your name

When laying with you, I could stay there  
Close my eyes, feel you here forever  
You and me together, nothing is better

'Cause there's a side to you that I never knew,  
never knew  
All the things you'd say they were never true,  
never true

And the games you'd play, you would always,  
always win

But I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name,  
your name

I set fire to the rain  
And I threw us into the flames  
Well, I felt something die  
'Cause I knew there that was the last time, the  
last time

Sometimes I wake up by the door  
That heart you caught, must be waiting for  
you  
Even that when we're already over  
I can't help myself from looking for you

I set fire to the rain  
Watched it pour as I touched your face  
Well, it burned while I cried  
'Cause I heard it screaming out your name,  
your name

I set fire to the rain  
And I threw us into the flames,  
Well, I felt something die,  
'Cause I knew there that was the last time, the  
last time.

I set fire to the rain!
